### TO WHOEVER IT MAY CONCERN

This is to certify that Dr. Shrirang Ganapati Pandit has been working in the above department as a registrar since 1st of September/82. till todate.

When he joined the department as a registrar he had already obtained his master's degree in General Surgery and had also worked as House Surgeon in Plastic Surgery in K.E.M. Hospital. Hence he had the basic background of a general surgeon as well as understanding of the Plastic Surgery subject.

During his tenure as a senour resident Plastic Surgeon, Dr. Pandit gathered a good knowledge of various Plastic Surgery problems elective as well as emergencies. He has been independently handling most of the patients. During his residency with us he was able to obtain master's degree in Plastic Surgery too, in the vary first attempt.

His approach to the patients is fairly humane. He gets along well with his junior as well as senior collegues. I have no hesitation in recommending Dr. Pandit for the post of Honorary Plastic Surgeon at Poona Hospital and Research Centre.
